Tenure Track Assistant Professor of Chemistry at IU Northwest, August 2012. A PhD in Chemistry plus experience in teaching and ability to develop a strong and visible research program is required. The specific sub-discipline is open but the successful candidate will be responsible for teaching advanced inorganic chemistry and inorganic lab. The department is certified by the American Chemical Society. IUN, located in the greater Chicago area, is one of eight campuses of Indiana University. The campus has a population of 6,000 students and offers Baccalaureate and Master degrees in a variety of academic disciplines. Deadline for full consideration is January 6, 2012 but applications will be accepted until the position is filled. Send a cover letter, cv, research and teaching statement as well as have three reference letters forwarded to N. De Leon, Chair, Search Committee, Department of Chemistry/Physics/Astronomy, Indiana University Northwest, 3400 Broadway, Gary, Indiana 46408 (email: cpachair@iun.edu).

IU Northwest is an equal employment opportunity, affirmative action employer with a commitment to recruiting and retaining a diverse faculty and staff by expanding employment opportunities for minorities, women and persons with disabilities.
