7. When **sheltering in place**, emergency actions will be coordinated from the **IUPD/control center**.

8. In the event of a **tornado**, occupants will shelter in an area without windows (such as a restroom, hallway, office or classroom). See **EMERGENCY EVACUATION maps**.

9. The procedure for **accounting for building occupants** during an evacuation is for supervisors to take a roll call of employees at the primary evacuation meeting area. Any employees missing or suspected of being trapped inside the building must be reported to Emergency Control Committee Members (clearly identified in yellow/lime green reflective vests).

10. During an emergency evacuation of the building, occupants should go to:
   
   a. The **primary evacuation meeting area**, which is a minimum of 100 feet east of the building – in parking lot.
   
   b. During **inclement weather**, the meeting area is the Theatre Northwest on Grant building (Please do not proceed to this location until roll call has been completed and you have been accounted for.).
11. The procedure for **reporting missing, trapped or injured individuals** to emergency personnel is to share this information with Emergency Control Committee Members (clearly identified in yellow/lime green reflective vests). They will then relay this information to Emergency Responders.

12. For those **needing assistance**, the building has the following areas which would be **searched first** during an emergency:
