

Internships for Graduate Students

SPEA offers internships through a variety of organizations within Northwest Indiana. Internships are open to any interested student through the Internship Coordinator in the School of Public and Environmental Affairs. Students hold work assignments with public agencies. A final product such as a report, oral examination or examples of materials developed in the practicum is required and grading is on a satisfactory/fail basis.

To date each student requesting an internship has been assigned to a public agency. For the 2013 academic year a total of 14 students were placed in various organizations within in NWI. The breakdown by semester is as follows: Spring 13 – 7 internships; Summer 13 – 1 internship; and Fall 13 -6 internships.
