Minimal full-time graduate student is 12 credits/term or 24/academic year. MPA is a 48 credit hour program making it a 2-year program. Also included in this figure are any students starting in the graduate certificate program that ultimately finished an MPA without finishing the Certificate Program, and any students going into the MPA program directly.

SPEA Employment Rates Post Graduation:

Annually, SPEA surveys graduates of the program to see where they are attaining employment upon completion of their MPA program. Students are surveyed from the recent graduates within six months of program completion. The following are the compilation of the employment statistics for the 2014-15 and 2015-16 academic years.
