8/9/10 (Better use a pencil if you have one) Here are Tom and Mary and their child Leslie – you remember them from before; draw in Tom's parents, Mary's parents, and a brother and a sister for Tom and for Mary. Now draw a spouse for each of Leslie's uncles and aunts, and a daughter for each of the four aunt-uncle pairs. At this point Leslie should have four cousins. Mark her parallel cousins with a // sign, and her cross cousins with a X sign. Now draw one large loop that circles everyone who Leslie lives with in her matrilocal household.

FIRST NAME _____ LAST NAME _____
