Directions: (Map on Back)

Coming from I-65: Go East on US 30 to 250 West. It is a light. The last light prior to 250 West is the entrance to Shorewood Forest. Go South on 250 West (a right turn) and take it to the third street, which is 150 North. Turn left there (which is the only possible way, as 150N deadends into 250 West. Go past the stop sign. The house is on the left. At the crest of a hill before it, there is a red brick house on the left. It is the house before mine. Look for the "Out of Iraq" sign.

Coming from Indiana 49: Go West on US 30 to Hayes-Leonard Road. It is a light that comes after the Wiseway Plaza, which is on the left. Turn left on Hayes-Leonard and cross 30. Take that to the first right, which is 150 North. After a short while you will come to a long, easy down hill. On your left is a meadow. There is a house at the bottom of the hill (on the right) which is closer to the street than most on the street. That house is just before mine, which is on the right. If you go past the driveway, you will be going up the hill. If you see the red brick house on the right, you have gone too far.
