

# AQIP Timelines, Processes, and Action Projects

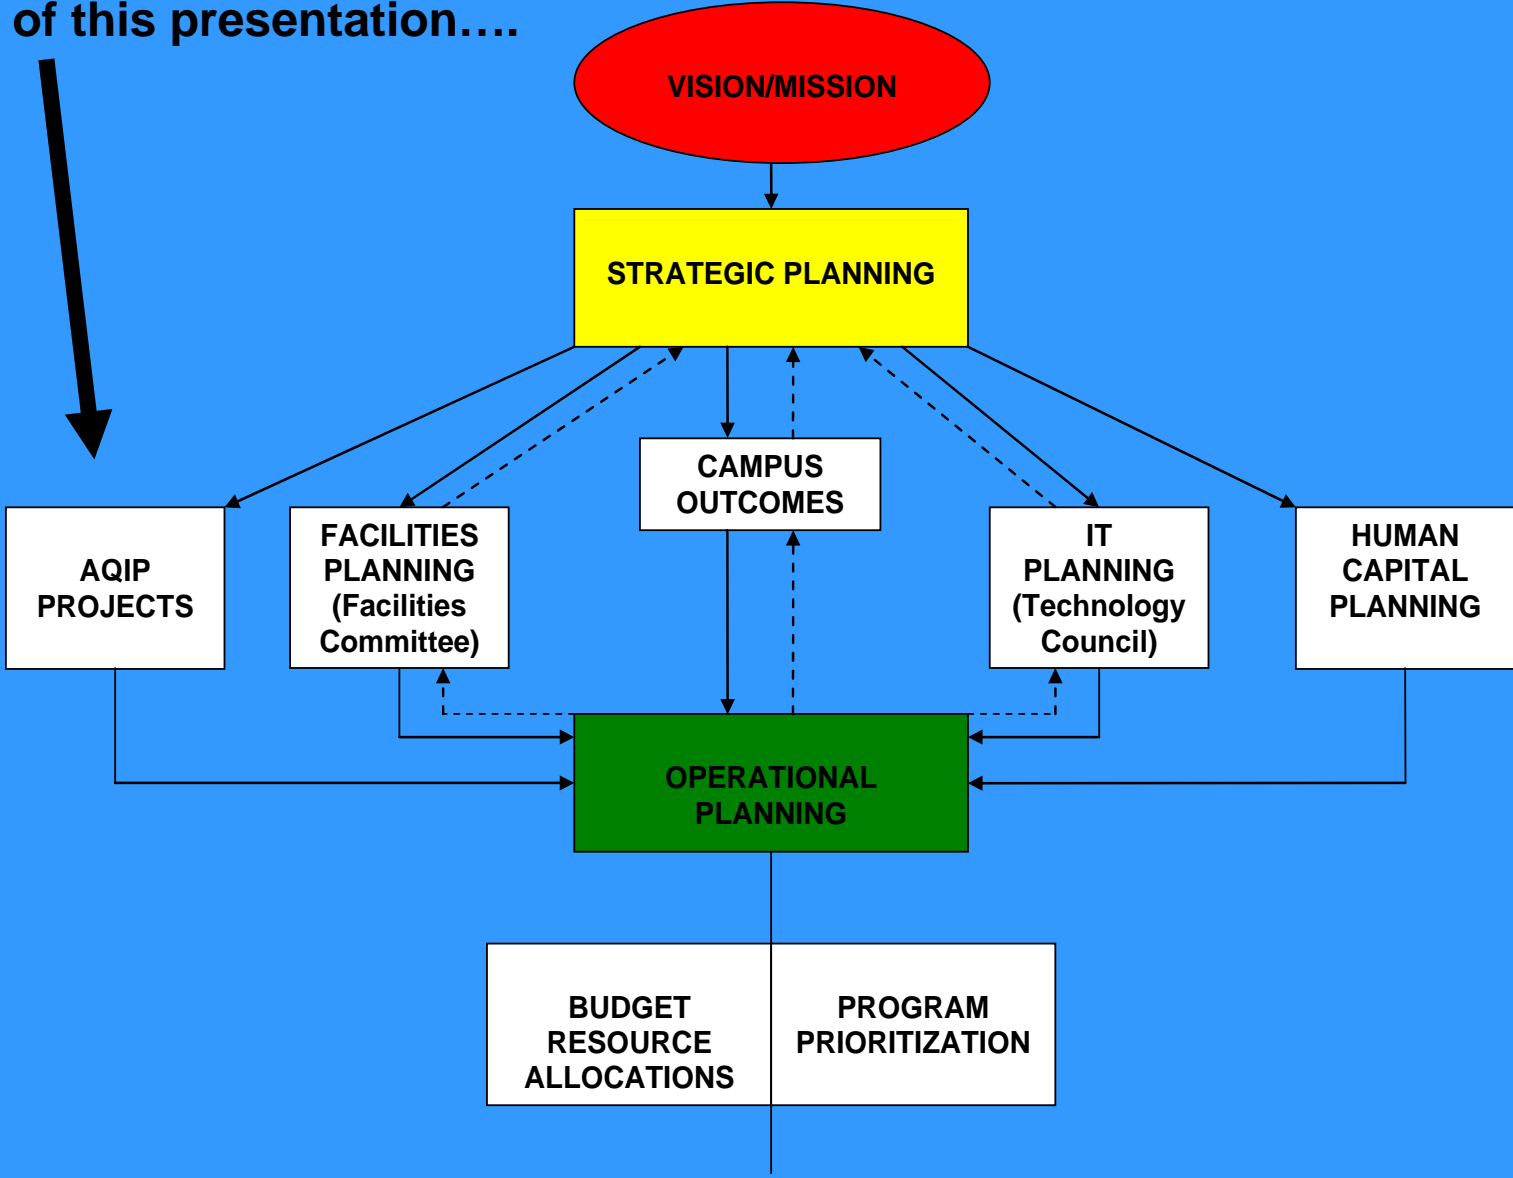

Strategic Planning Team  
Presentation

February 15, 2006

Remember this?.....

Focus of this presentation....

- **A**cademic
- **Q**uality
- **I**mprovement
- **P**rocess

Although there is no U in AQIP,  
we need U to help!

# Quality Improvement/Assurance Process with 3 Cycles

1. **Action**—3-4 Action Projects  
(one year cycle)
2. **Strategy**—Systems Portfolio  
(four year cycle)
3. **Accreditation**—Check up visit and  
reaffirmation of accreditation  
(seven year cycle)

# Where we are.....

- **Action**

- **Projects to be retired this year:**

- Increase the Technological Capabilities of Faculty, Staff, and Administrators
    - Intervention for First Year Students: The Freshman Experience
    - Beyond the Freshman Year: Improving Academic and Career Advising

# Where we are.....

- **Action**

- **Projects to be started this year must be posted by April 1 and updated by September 14:**

- General Education Reform: Enhancing Student Learning Outcomes
    - A Commitment to Diversity: Campus Climate, Students, Faculty, and Administration
    - Student-Centered Decision Making: Implementing a Service Philosophy

# Where we are.....

- **Strategy**

- **Systems Portfolio**

- Submitted in **November 2005**
    - Feedback from AQIP will come in **March 2006**
    - Update of Portfolio will occur in **May and October/November 2006**

# Indiana University Northwest's Systems Portfolio

- Begins with Organizational Overview
- 9 AQIP Categories
  - Context for Analysis
  - Processes
  - Results
  - Improvement
- \* Most likely feedback will focus on processes

# Where we go from here.....

- **Action Projects**

- Project Leaders will review/update
- Plan/process for continuously updating

# Where we go from here.....

- **Review of Feedback**

- AQIP Team in consultation with the VCAA will review/respond
- Process for responding
- Plan/process for continuously updating the portfolio

# Handling Systems Portfolio Feedback from AQIP Reviewers (March 2006)

- Campus analyzes & decides where to focus efforts
- Campus initiates activities and processes to improve
- No formal response to AQIP required unless there are accreditation issues
- Address how to integrate AQIP feedback into campus's processes & receive input from other campuses at the Fall Strategy Forum
- Post our new Action Projects as planned, but be prepared to add a fourth based on feedback (as necessary) & keep Action Projects shorter in duration until we receive the feedback

# Where we go from here.....

- **Accreditation**

- **Quality Check up**

- Spring **(Jan-June) 2007**

- “Condensed” site visit--2 or more days

- Clarification, verification, compliance, & commitment

- Followed by reaffirmation of accreditation in 2009

# Where we go from here.....

- **Continuous Improvement**
  - Decide who will be responsible for data collection
  - Decide what data to collect and when
  - Decide what to do with the data
  - Will require an **Institutional Researcher**
  - Construct the Continuous Improvement Team
