

The United States Department of Education regulations require that an educational institution must obtain an authorization to:

- Use Title IV funds to pay for educational costs incurred by the student other than tuition and fees (such as parking decal fee, fitness center, etc.).
 - Example: If this form is not signed, parking would NOT be paid by your Title IV funds. It would need to be paid directly by you. If left unpaid, a parking decal may not be issued and mailed to you.
- Pay prior year charges up to \$100.
- Hold funds while resolving eligibility requirements.

TITLE IV FUNDS INCLUDE: PELL GRANT, SEOG, PERKINS LOAN, STAFFORD LOAN and PARENT PLUS LOAN.

I authorize Indiana University to apply any funds I receive toward payment of tuition, fees and other charges billed through my Indiana University Northwest (IUN) bursar account. I authorize IUN to pay prior year charges up to \$100 and release funds to me after resolving eligibility. I understand that I can rescind any portion of this authorization in writing at any time. I understand that this authorization is valid for my entire academic career at IUN.
