

M7 ALEKS Registration

1. Go to <http://www.aleks.com/>
2. In the upper left-hand corner, where it asks if you are a new user, click on "Sign Up Now!"
3. In the left-hand box, enter the course-code: **QJPOW-94KFD**.
4. On the following page, verify the following information
Course: M 7 Fall 2010 - 24797
Subject: Beginning Algebra
Instructor: Prof. Odefey
School: Indiana University--Northwest
5. If you **have not** purchased a registration package from the bookstore, click in the second paragraph where it says "purchase an access code online". In the pop-up dialog box, select the first choice "Higher-Ed 1 Semester 18 weeks". On the following pages enter the appropriate school, and billing information.
6. If you **have** purchased a registration package from the bookstore, enter your access code in the boxes provided. On the following pages, enter the personal information requested.
7. When supplying an email address, please use the email address you regularly check, not necessarily your IU Northwest account. You will be receiving regular email from me and it will be important to you to receive it in a timely manner.
8. When you are done registering, you will be taken to a tutorial. It will familiarize you with how to respond to ALEKS.
9. After the tutorial, you will take an assessment. This test covers many of the topics in the course. The purpose is for the computer to ascertain what you already know. This is for diagnostic purposes only. It will not figure into your grade.
