Refunds: Can only be made prior to the first day of classes. There are NO partial refunds. If the course you have chosen is already filled, we will contact you. You may either receive a full refund or apply your fee to another course. There will be no refunds for acts of nature (rain) or emergencies (power outage).

Lounge Areas: Lounge Areas are available in the library and in Moraine Student Center for parents who wish to wait for their children. Parking Permits may be purchased by parents wishing to park in the student lots.

Adaptive Education: Adaptive Education Services: Kids College will make reasonable program modifications conforming to IU policies to accommodate students with disabilities

New Kids on Campus

course descriptions

Math for ISTEP

Learn the basic math skills to help you prepare for the ISTEP test. Students will work individually and in small groups to learn the skills needed to improve test scores.

Instructor: Shenita Walker, Raintree 105

Science Investigator

Enhance your scientific knowledge. Have fun with creating fascinating solutions to various science experiments.

Instructor: Jim Bartos, Raintree 151

Broadway Bound!

Get ready for your audition and performance. You will learn how to project your voice, speak clearly and get over your case of "stage Jitters". Using age appropriate materials, you will practice the skills needed to perform at school or church. There will be a short performance on the last day for family and friends. (No experience needed).

Instructor: Jennifer Redlarczyk, Raintree 101

Reading and Writing for ISTEP

Do you get a little nervous when you have to take a test? In this class, we will practice reading and writing techniques that will improve your comprehension skills and make you more confident when you return to school.

Instructor: Shenita Walker, Raintree 105

MATHtastic!

Enjoy reasoning and solving math challenges using hands-on techniques.

You will become a Math Wizard!

Instructor: Jim Bartos, Raintree 151

Beginning French

Parlez-vous francais? Non, pas de problem! This class will teach you basic conversation and writing skills in French for the debutant or debutante! Come in and learn about the language, culture, and the people that make up the French speaking world through games, projects, songs, and other activities! Laissez les bons temps rouler avec cette classe!

Instructor: Ricky Baron, Raintree 103

ART-2 -D -Drawing for New Kids

Have fun learning to do two-dimensional drawing. We will be doing several projects using various media including, pencil, crayon, color pencil and other media.

Instructor: Tom Strimbu, Raintree 109

Creative Crafts

Foster your creative spirit with Ms. Pam's fun class. Learn to make gifts, decorations and other items. Something new each day! Discover all the things you can produce with simple items that you can find around the house. Unleash your creativity.

Instructor: Pam Threatt, Raintree 101

Beginning Chinese

We will begin by learning how to pronounce Chinese words, also known as Pinyin. Join in the fun as we learn how to make Chinese crafts, sing Chinese songs, and how to write Chinese characters using calligraphy pens. This and much more await you as you learn and explore more about China.

Instructor: Chun Wang, Raintree 201

Write On

Fairytales, poetry, autobiographies, plays, news stories, you name it and you can write about it in this class. Become a young author in 12 days, build your vocabulary, and expand your imagination.

Instructor: Jessica Sullivan, Raintree 103

Our Teachers

Ricky Baron has been a teacher at River Forest High School for six years now. He has travelled to France and Quebec. He is also a member of the American Association of Teachers of French.

Jim Bartos holds a B.S. in Business and a Masters degree in Special Education for teaching pupils with Mild Disabilities. He has been an elementary Special Education teacher for 20 years.

Jennifer Redlarczyk is an Adjunct Professor at IU Northwest and holds a M.M. in Vocal Performance from Northwestern University.

Linda G. Reeves has been an American Red Cross instructor for over 30 years. She has also been a Girl Scout Leader for over 20 years and works here at IU Northwest in the Education Dept.

Thomas Strimbu has a B.S. in Fine Arts and a S.A.I.C. degree in Art Education. He is an art teacher in the Gary Community School Corp. and practicing artist whose work has been viewed worldwide.

Jessica Sullivan has a B.A. in English and Theatre Arts, Secondary Education from Elmhurst College, in Elmhurst, IL. Currently teaches 7-12th Grade Drama for Kankakee School District 111 in Kankakee, IL; in addition to working for Sylvan Learning Center in Northwest Indiana. Jessica is also an Alum of Kids College

Pamela Threatt brings with her 20+ years of craft experience. She is a Simplicity Service Award recipient. Ms. Pam always has new innovative ideas for crafting.

Jill Wagner holds a B.S. in Elementary Education and a Masters Degree in Economics from the University of Delaware. She has been teaching in Homewood IL. for the past 10 years.

Shenita Walker has a Bachelors degree in Elementary Education from IUN and teaches in the Gary School system.

Chun Wang graduated from Beijing Normal University and became a full time faculty member teaching college level Economics in Beijing. She has taught Chinese programs at Purdue University North Central.

Robert Wilson, Jr. received his a B.A. from Indiana University Northwest and is currently pursuing his M.A. at DePaul University.

About IU Northwest

Whether you're just finishing high school or thinking about college to advance your career, Indiana University Northwest offers you the opportunity to earn a prestigious IU degree that is respected throughout Indiana, the nation, and the world. Established in Gary, Indiana, in 1963, IU Northwest is located on a 36 acre campus in the northwest corner of the state. We are a focal point for our students and the region offering nationally recognized degree program, a diverse student body, a supportive environment, and unique cultural opportunities.

As part of the Indiana University system, IU Northwest provides all the services and opportunities of a large university combined with the advantages and atmosphere of a small college. At IU Northwest you can earn your IU degree close to home.

YOUNG JUNIORS

course descriptions

Writing for the newspaper!

Extra Extra! IUN Kids College offers newspaper class! This class will teach the basics of writing, editing, and producing a newspaper. Be able to go on interviews, find out leads, and get the top story! Everything from inverted pyramid writing to comics, this class will cover it all!
Instructor: Ricky Baron, Raintree 103

ART-2-D -Drawing Class

Students will have a fun filled action packed two dimensional drawing class focusing on the use of the seven elements of art and the eight principles of design in various projects. Different media will be used.
Instructor: Tom Strimbu, Raintree 109

Every day Math

Many day to-day activities can be made easier when you know how to use math. Math can be useful in shopping, dining out, cooking or baking. Come join us and see how these skills will help you in the real-world!
Instructor: Jill Vagner, Raintree 203

Learn Chinese

To begin, we must learn how to pronounce Chinese words, also known as Pinyin. Using these beginning words, we will study Chinese vocabulary, character writing, and dialogue. With calligraphy pens we will learn to write Chinese characters. To add to the fun, we will make Chinese crafts and sing songs.
Please join this new class!
Instructor: Chun Wang, Raintree 201

Broadway on Broadway

Experience Musical Theater. In this class, you will learn what it takes to be in a musical theaters production. You will learn vocal techniques and stage movement. If you ever wanted to "try-out" for a school production, but felt you did not have enough experience, this class will prepare you to give it a try.
Instructor: Jennifer Redlarczyk, Raintree 101

Exciting English

Come discover an English class that is exciting and effective in improving your reading, writing and grammar skills/strategies through the use of short stories and novels.
Instructor: Jill Vagner, Raintree 203

American Red Cross Babysitting Class

You will learn how to hold, care for, feed, and change a baby, also how to take care of and play with toddlers. You will also learn Adult, Child and Infant CPR, as well as first aid and you will be certified as an American Red Cross Babysitter and have your own CPR card.
Instructor: Linda G. Reeves, Raintree 151

ECONOMICS 101

Learn how to save money, spend wisely, and be smart about your money. You will get a fake job, bank account, create a budget, and learn how to spend/save your salary appropriately. Learn these skills early and you will be a successful consumer for life!
Instructor: Jill Vagner, Raintree 203

Up and Speak Out

Speaking in front of an audience can be a terrifying experience. However, overcoming that fear can have amazing benefits. All it takes is confidence, training, and practice. Join this class as we learn skills and techniques for becoming better public speakers (and the leaders of tomorrow).
Instructor: Robert Wilson, Raintree 105

Kids College T-Shirts

Kids College T-shirts will be available for purchase
