

Anthem Preventive Drug List

IU HDHP PPO & Medical Savings Plan

Effective January 1, 2010

The HDHP deductible does not apply to the drugs on this list, only the 20% copay. When using a plan with a percent copay instead of flat dollar copays, members may benefit from shopping for the lowest drug cost. In some cases, there may be a difference in cost between pharmacies and between mail order and retail.

PLEASE NOTE: This list is not all inclusive. To check if a specific drug is considered preventive, please call Anthem at 1-800-345-2460. Brand name products are listed with a first cap letter; generic products are listed in lowercase letters. Over-the-Counter products are not included.

ANTICOAGULANTS

Arixtra
Coumadin
Fragmin
heparin
Innohep
Lovenox
warfarin

ANTIDIABETIC

AGENTS

NOTE: Diabetic Supplies (i.e. blood glucose meters, tests strips and lancets) require a prescription to be covered under the PreventiveRx benefit.

Actoplus Met
Actos
Amaryl
Apidra
Appformin
Appformin-D
