

# INDIANA UNIVERSITY NORTHWEST

FULFILLING *the* PROMISE

**Plan: Elementary Education BSED - Special Education TSAP**

**School: School of Education**

Description: This degree map is only valid for students transferring to IU Northwest from either Ivy Tech or Vincennes and who have earned an associate's degree in education from either institution. The undergraduate Teaching All Learners (TAL) program prepares candidates to teach in either Elementary Education or in K-6 Special Education: Mild Interventions. This degree program requires candidates to take seven 3-credit hour courses dedicated to preparation in Special Education. Two additional elementary education courses address CEC and state special education standards in reading/language and technology. Candidates complete two 10-weeks field experiences and an 8-week clinical experience in special education (they do another 8-week clinical experience in Elementary Education). Candidates must pass through Checkpoints at critical decision points and must meet grade, GPA, portfolio, disposition, Praxis, and SPA assessment requirements before moving forward in their program. Candidates in this program are provided opportunities to learn and practice the knowledge, skills, and dispositions needed to become effective special education teachers of students who receive the general curriculum. Since Indiana is a non-categorical state, the license our candidates earn is not tied to a specific disability. Instead, candidates are prepared to work with students with all disabilities as long as they are able to receive the general curriculum.

Student's Catalog Year: Fall 2016 and beyond

Total Degree Map Units: 71

## YEAR THREE

FALL COURSE	COURSE NAME	UNITS
	Chckpnt 1 before TEP Prgm Accept	
M 310	General Methods	3
K 343	Educ Social & Emotionally Disturbed I	3
K 370	Intro to Learning Disabilities	3
E 335	Intro Early Childhood Education	3
A 363	Hoosier Nation: Indiana History	3
	<b>TERM UNITS</b>	15
