BACHELOR OF SCIENCE IN BUSINESS MAP 4 YEAR PLAN (EFFECTIVE FALL 2019)

BUSINESS ADMINISTRATION CONCENTRATION

This map is a term-by-term **sample course schedule**. The **Sample Schedule** serves as a general guideline to help you build a full schedule each term. The milestones listed to the right of each semester are designed to assist with keeping you on course to graduate in four years. Milestones are some courses/special requirements necessary for timely progress to complete the degree. Students are urged to consult with their faculty advisor frequently during their undergraduate years; for advisor contact information call (219) 980-6552 or stop by Dunes MP 1103. **Each student is responsible for planning his/her own program and for meeting the university and school degree requirements by the time he/she expects to graduate.** Consult the IUN Bulletin for details. Following are a **few points to keep in mind:**

- (1) Proper enrollment is the individual responsibility of each student. There are always level prerequisites, and there are frequently course prerequisites for the courses in all business programs.
- (2) A student must have a minimum average of a 2.00 in all course work; a minimum average of 2.00 in all courses taken toward the degree; a minimum average of 2.00 for all courses in the Core; and a minimum average of 2.00 for coursework within the area of Concentration and Minor area (if applicable). ENG W131 and CSCI A106 must each be completed with a minimum grade of C (2.00).
- (3) **This sheet is to serve as a guide.** Students are encouraged to meet with their advisor with specific questions. Students should also refer to the *IU Northwest Bulletin* for additional policies. The Bachelor of Science in Business degree is comprised of 120 total credit hours.
- (4) Students are to apply for graduation at least one semester prior to when they plan to complete their degree requirements.
- (5) Any applicable transfer courses may allow adjustments to the semester plan, as appropriate. However, prerequisites, degree policies, and curriculum adherence still remains intact.

Sample Schedule		
First Semester	Hrs.	Grade

Some Milestones to Keep in Mind Each Semester
First Semester
The Campus Placement Test determines your beginning math & English courses.
ENG W131 must be completed with a "C" or better.
Second Semester
CSCI A106 must be completed with a "C" or better.
For graduation, you must have a minimum average of a 2.00 in all course work.
Third Semester
Consult the IUN Bulletin for details and approved courses for the Cultural & Historical Elective.
For graduation, you must have a minimum average of a 2.00 in all courses taken towards the degree.
Fourth Semester
Remember the course prerequisite policy within the School. Proper enrollment is the individual responsibility of each student.
Consider Summer sessions to 'make up' any coursework you need to keep on track for graduation.
