

Name _____ Student ID _____ Date _____

IU Northwest Chemistry Student Research Record

Chemistry majors seeking to do undergraduate research in chemistry must complete this form. One credit hour requires a minimum of 48 hours of laboratory work per semester (3 hours per week). In addition, students will be expected to do library research and write an acceptable report of their research. They will be expected to present their research a minimum of two times, once at the IU Northwest COAS Student Research Conference and once to the IU Northwest Chemistry faculty as part of CHEM-C 301. Students should start their research during their Junior year. To facilitate this process, this form should be completed.

You will need to visit at least 3 of the chemistry faculty and discuss research with them. You should make an appointment to see them using either their phone, e-mail or make an appointment through the department secretary. You should look at their research website at <http://www.iun.edu/chemistry/index.htm> to determine which fields interest you.

Date	Initial	Name	Office	Phone	Research Field
		Dr. Nelson DeLeon	MH 208	980-6742	Physical Chemistry
		Dr. Daniel Kelly	MH 220	980-6750	Inorganic Chemistry
		Dr. Ian Taschner	MH 224	980-6744	Analytical & Medicinal Chemistry
		Dr. Tia Walker	MH 218	981-5632	Organic Synthetic Chemistry
		Mrs. Linda Wozniewski	MH 135	980-6637	Environ. Chemistry & Chemical Education
		Dr. Alonso Contreras	MH 204	981-5644	Physics
		Dr. Axel Schulze-Halberg	HH 443	980-6780	Physics

In addition, you must attend a class on Chemical Safety Hygiene given on-line. To enroll in this class, you will need to e-mail Mrs. Linda Wozniewski for instructions on how to do this and get her signature on this form.

Date _____ Initial _____ Date class completed _____

After you have visited a minimum of 3 of these professors and had them date and initial this paper, please list 3 to do research with.

First Choice: _____

Second Choice: _____

Third Choice: _____

Please return this form to the Chemistry Department Secretary in MH 243.

Date form received in office _____ Assigned to _____ research group

Students wishing to do their research with another faculty member outside the department must petition the chemistry faculty for this privilege. Students must submit in writing the name of the faculty member, their contact information, and a summary of the research with the chemistry of the research project.
