CAMPUS DIVERSITY PLAN
2007

CAMPUS DIVERSITY PLAN GOAL
To develop ambitious, institutionally integrated, campus-specific approaches toward advancing the broad context of diversity (race, ethnicity, gender, age, geography, social class, religion, sexual orientation, disability), equity, and multiculturalism, and to increase the presence of underrepresented minorities in the enrollments of students, recruitment of faculty and professional staff, and utilization of minority and women-owned businesses.

PART I: CAMPUS VISION & MISSION

IUPUI Diversity Vision
The vision for diversity is a clear statement, an inspiring word picture of where we would like IUPUI to be in 2-3 years.

We envision a world-renowned urban campus animated by the spirit of pluralism—the quest to appreciate difference, to seek understanding across social and cultural barriers, to risk transformation through interaction with others, and to empower populations underrepresented in American higher education.

IUPUI Diversity Mission
The Diversity Mission lists our organization’s primary purpose in advancing diversity.

The Campus Community will pursue the following goals and objectives in order to realize our Campus Mission’s strong commitment to diversity by:
Using education to develop the potential of all students, faculty and staff for their personal, social, and professional advancement;
Developing an inclusive community where differences can be understood, respected, and valued and;
Preparing our graduates to shape and influence our city, state, and global society

PART II: CAMPUS GOALS, ACTION STRATEGIES & MEASURABLE OBJECTIVES
For each of the four dimensions of diversity and equity, identify campus-specific goals, action strategies, and measurable objectives addressing each of the following:

FOUR DIMENSIONS OF DIVERSITY AND EQUITY
1. Institutional Leadership and Commitment – The clarity of expectations, investment of human and fiscal resources, and accountability as demonstrated through the words and actions of campus leadership at all levels;
