Personal Development Plan (PDP)®

Instructions: The B2B PDP is very much an individual career and personal development plan and is to be used solely for the benefit of the B2B student. Each student is expected to prepare a plan and to meet with the program coordinator or mentor on a regular basis (at least once per semester) to receive guidance or help in meeting the terms outlined in the plan. The frequency of PDP reviews will vary depending on the student's needs.
