

CURRICULUM VITAE

KATHY ANN KWIATKOWSKI

01/2014

A. Identifying Information

Biology Lecturer
Indiana University Northwest
Department of Biological Sciences
3400 Broadway
Gary, IN 46408

Office Number: 219-980-6723
E-mail: kakwiatk@iun.edu

Date of Birth: March 17, 1960
Citizenship: U.S.

B. Education

2014-2010 B.A., Biology, Indiana University Northwest, Gary, IN, with a minor in chemistry.
2011-2013 Masters of Biology, Purdue University Calumet, Hammond, IN

C. Teaching Experience

Indiana University Northwest: Lab Instructor responsible for course objectives and experiments

2005-2012 Biol-L100 Humans and The Biological World
2008-present Biol-M200 Microorganisms in Nature/Disease
2009-present Phsl-P261 Human Anatomy & Physiology 1
2009-2010 Assistant to professor in pig dissection
2009-present Judge for Science Olympiad
2010 Biol-L101 Introduction to Biological Sciences 1
2010 Biolo-L100 Guest lecturer
2013-present Biology Lecturer IUN

Purdue University Calumet: Lab Instructor responsible for course objectives and experiments

2011-2012 Biol-21300 Human Anatomy & Physiology

2013 Sci-10500 Invitation to Human Biology

D. Clinical Experience:

Illinois Retina Associates, Chicago, IL, 1981-1994.

Clinic Coordinator position responsible for several research studies funded by National Institutes of Health and Johns Hopkins University along with clinical assistant to the ophthalmologists. The practice was limited to diseases of the retina including age-related macular degeneration, diabetic retinopathy and retinal detachment.

Clinic Coordinator for Macular Photocoagulation Study (MPS)
Clinic Coordinator for Age-Related Eye Disease Study (AREDS)
