

FIRST Lego League

FLL Coach's Promise

As the coach of a FIRST Lego® League (FLL) team, please read the information below for further understanding of FLL core values. As coach, you are responsible for adhering to the following terms and conditions and communicating them to team members, team volunteers, and others affiliated with your team. The signing of the code signifies your intent to uphold and maintain the FLL code. All teams are expected to abide by FLL rules and guidelines as they exist now and as they may be set forth during the season. Team rules, guidelines, and policies and procedures are detailed in the FLL Coaches' Handbook. Any updates, additions, participant consent forms, and volunteer recruitment, screening, and supervision guidelines for the team will be communicated to FLL coaches via email and posted on the FIRST Lego League section of the www.usfirst.org.

I UNDERSTAND THE FOLLOWING:

1. The kids come first FLL is about kids having fun and getting excited about science and technology. Everything my team does starts and ends with that principle.
2. The kids do the work. This is their opportunity to learn and grow. The kids on my team do all of the programming, research, problem solving, and building. Adults can help them find answers, but cannot give them the answers or make the decisions.
3. My team is comprised of ten or fewer members, is registered as an official FLL team, and all team members are no older than 14 on January 1st of the Challenge year.
4. FLL communicates with my team via my email address, and I am responsible for reading and relaying all aspects of FLL guidelines and rules to my team, other coaches, volunteers, and parents.
5. I will encourage my team members, other coaches, volunteers, and team supporters to develop and practice a set of FLL Values that reflects FIRST's goal to change culture in a positive way by inspiring others through our team's actions and words.
6. **As the coach of a FIRST Lego League team, I agree to abide by FLL Values, policies, procedures, and standards.**
