Funding Opportunities in the IU Northwest Library

Grantstation.com

GrantStation is an online funding resource for organizations seeking grants throughout the world. Providing access to a comprehensive online database of grantmakers, as well as other valuable tools, GrantStation can help your organization make smarter, better-informed fundraising decisions. From this area of the website, we offer our Members full access to search through all of GrantStation's funding databases:

- U.S. Charitable Giving
- International Charitable Giving
- Federal Grants & Loans
- State Grants & Loans

The grant research computer on the second floor of the Library Conference Center has access to Grantstation and Foundation Center for you to use to research for those funding projects for the Fall, 2011. Take advantage of this software purchased by the Library for you.
